

**Lafayette Public Library Board of Control  
and Building Committee Meeting**

**September 18, 2006  
Main Library Meeting Room  
4:00 p.m.**

**AGENDA**

- I. **South Regional**  
*The Library Director will provide an update on budget items. The architect will explain various cost reductions incorporated in the revised construction estimate. Action will be requested on a revised budget which will reflect reductions to various areas of the building and overall project to accommodate increases in the construction cost estimate from the architect.*
- II. **East Regional**  
*Evaluation and ranking of the property proposals received will occur. Property developers may be present to address any questions. Action will be requested on moving forward with one or both of these proposals.*
- III. **Announcements**
- IV. **Comments from the public**
- V. **Adjournment**
