Summer Reading Program: Libraries ROCK!

Are you ready to **ROCK** this summer? Children up to 12 years old can join our **Libraries ROCK!** Summer Reading Program, beginning May 14 at any Lafayette Public Library location. They can participate in any of the multiple free programs like storytelling, puppetry, crafts, dance, drawing, plays, bubbles, music, and more. There will be one level of prizes, based on reading minutes and challenges. Pick up a reading log from the library or log online at LafayettePublicLibrary.org. The main prize is an inflatable **Libraries ROCK!** guitar and a chance to win a grand prize bicycle!

The Main Library will host the **Libraries ROCK!** Summer Reading Kickoff Celebration on Saturday, June 2 from 10:00 AM until 3:00 PM. In addition to the performances listed to the right, kids can enjoy a fun jump, crafts, community fun with downtown organizations, and more. We'll have food trucks selling a variety of treats. Also joining us, for the first time, is the Bicycle Safety Festival in Parc Putnam. For more about our Summer Reading Program and Kickoff, call 261-5779.

Director's Message

The new West Regional Library in Scott is taking shape! We are already busy working on the furniture, equipment, and shelving for the building in anticipation of opening early 2019. We would like your input on what book titles should be on the shelves.

We want to get your list of favorite adult, teen and children's titles to add to the West Regional Library. Think titles you would recommend to a friend versus the classics you feel everyone else should read. No *Moby Dick* gathering dust at this library (unless, of course, it really is your favorite book)!

Starting Monday, May 14 you can enter your name, library card number and the title of 10 books you would like to see in the new collection. Novels, non-fiction and children's titles are acceptable. The first 10 patrons that recommend a particular title will have their names listed on a book plate in the book as having recommended that title. Library patrons at West Regional can tell that a title comes highly recommended by others in the community when they open the book.

Sounds like fun to me as I always enjoy reading books recommended by others. Visit: LafayettePublicLibrary.org/westbooks to enter your titles or use a paper entry form found at all locations. Deadline for submitting titles is Friday, August 31.
