Notes from the Library Director, Teresa Elberson

As the year begins to wind down and we turn toward the holidays and give thanks for another good year, I have to give a big thanks to two organizations that exist to support the public library.

Our Friends of the Lafayette Public Library organization was founded in 1979. This group exists to advocate for and support the Lafayette Public Library. Besides membership dues, the twice yearly used book sale and the second hand book sales at the Main and South Regional Libraries are their main moneymakers. The proceeds from the sales come back to the library in an annual donation of funds for summer performers, summer kids' programs and prizes, printing the library newsletters and funding little things that might not be in our budget to purchase (puppets, puzzles, LEGOs for the LEGO club, popcorn poppers, etc.). In the past several years, they have provided the seed money for our Makerspace equipment (3D printer, etc.) and funds for children's books at our new libraries. Membership cost is low and members get a VIP early admittance ticket to both book sales for joining. Memberships start in January.

The Lafayette Public Library Foundation was founded in 1992 and exists to receive private funds to provide monies for materials and services not otherwise available for the library. Many people established named endowments, thus dedicating funds for library collections in perpetuity. In the last two years, the Foundation has provided funds for the Main Library's children's section entrance, given monies to purchase hundreds of books as part of the named endowment program, and purchased copies of our Lafayette Reads Together book title to hand out to the public as part of our annual community read program. The Foundation's main annual fundraiser is the super fun event, Spell-a-bration, an adult spelling bee coming up on Thursday, November 10th.

A big year-end THANKS to both of these great 501(c)(3) non-profit organizations! They make the library great and support some very fun projects.

Don't Forget to Vote!

The November 8th election will include many important races. The very last item on the ballot is a library millage renewal. This parishwide millage funds a wide range of library services and operations. The library system does not receive sales tax money, state funding or Lafayette Consolidated Government general funds and depends almost entirely (96%) on millages. Please don't forget to cast your vote in November.

BREAKOUT! (a team-based escape game challenge for Teens and Adults)

Engaging, adventurous and FUN! Find hidden clues and solve puzzles to complete the challenge and help your team "escape." Registration begins Monday, November 7. Call to reserve a 45-minute time slot for your team.
