Dear Parents:

Summer Reading can be so much fun! Register your child for the Lafayette Public Library System Summer Reading Program where your child can earn free prizes for reading fun books and enjoy free summer activities!

Students can lose as much as 2-4 months of reading skills over the summer. Stop the summer slide and help students to read for fun! When the students return to school in the fall, their reading skills will be stronger for having read books over the summer!

Here are some suggested books that kids will enjoy reading over the summer.
